 - Once agreed and permission is granted by the lower-level team, it is the responsibility of the higher-level Coach to notify, in writing, the MEIFHA Division Coordinator and the HNS Metro East Zone Regional Director. The AP Coach should also be included in the written notification.
 - Higher-level Teams or Coaches must not contact the Affiliated Player (AP) directly. All communication must be conducted Coach to Coach or Team Official to Team Official.
 - All Affiliated Players (AP's) must be clearly indicated on the game sheet
 - It is the Coach's responsibility to track the number of games played by an AP so not to exceed the number of games permitted under Hockey Nova Scotia (HNS) regulations.

- STAGE 1 - The Discipline Process
- STAGE 2 - The Appeal Process

STAGE 1 - THE DISCIPLINE PROCESS

STANDARD SUSPENSIONS

Where the HC current Rule Book / HNS Regulations dictate a suspension for a player for a rule transgression, and game officials determine, by a write-up, that such a transgression took place, the Coach in consultation with the Division Coordinator, as a matter of routine will implement the Suspension.

NON-STANDARD SUSPENSIONS

When incidents occur, which may warrant disciplinary action, the Coach(es) shall report the incident as quickly as possible, and at least prior to the next game, for action.

POLICY # 13.0 – CODE OF CONDUCT PROGRAM (CONT'D)

The Division Coordinator, Vice-President Hockey Operations and Coach(es), shall meet, investigate the incident, and determine the applicable sanction. In investigating the incident, they may consult such Game Officials, Players, Parents, or other observers that they may deem necessary to gain the relevant facts of the incident.

The Coach(es) implements the sanctions with the Player(s). A file must be created and established with the Division Coordinator until the end of the season. The file will be maintained and kept with the Secretary of MEIFHA. The Division Coordinator must inform the Executive Vice-President of the sanction or discipline as soon as is possible.

Further, the President or his designate shall have the power to suspend summarily any Player, Coach, Trainer, Manager, Official or Spectator of any Team under the auspices of the Association for any conduct on or off the ice that at the sole discretion of the President is deemed to be unbecoming or detrimental to the game.

Furthermore, the President or his designate shall have the power to suspend summarily any Player, Coach, Team Official or the Team to which the Spectator is attached.

The Association is prepared to enforce these provisions as required, as they are an integral part of the reporting and enforcement initiatives.

Sanctions that may be applied to any Player, Team Official, Team follower, Parent, or member, include:

1. A verbal reprimand,
2. A written reprimand,
3. A suspension,
4. An expulsion, or

POLICY # 13.0 – CODE OF CONDUCT PROGRAM (CONT'D)

Suspensions when applied to Parents, Coaches, or Team followers shall normally restrict the access of those persons to dressing rooms, bench areas, and possibly spectator areas of arenas.

STAGE 2 - APPEAL OF DISCIPLINE

Notwithstanding the above, should a Coach, Player, or Parent/Guardian feel that Stage 1 has not satisfactorily resolved the issue, it may be appealed to Stage 2 in writing. However, Stage 1 sanctions remain in effect until Stage 2 is complete.

Any appeal of discipline must occur within seventy-two (72) hours of notification of the original discipline being communicated. The appeal must be in writing to the Executive Vice-President.

The Executive Vice-President, on receiving a written appeal or request shall convene a Discipline Committee Meeting.

The Discipline Committee shall consist of a Division Coordinator, other than the Division Coordinator involved in a Stage 1 decision, the Vice-President Hockey Operations and another MEIFHA Executive member approved by the President, and shall be no less than three (3) people.

The Discipline Committee shall establish a hearing and invite such persons, as they deem necessary to provide information to the Committee.

The Discipline Committee shall, with all dispatch, render a decision and communicate that decision to the offending party(ies). Such communication may be verbal at the outset, but shall be confirmed in writing with copies logged with the MEIFHA Secretary.

The Executive Vice-President shall report the outcome of the hearing to the President.

Should the offending party(ies) not agree with the outcome of the hearing, the offending parties may request a hearing at the next regular meeting of the MEIFHA Executive. The request must be in writing to the MEIFHA Secretary, who upon receiving the request shall place the item on the agenda for the next regular meeting of the MEIFHA Executive, and inform the President, Executive Vice-President and respective Division Coordinator of its receipt.

The MEIFHA Executive may provide up to thirty (30) minutes of meeting time for the person making the appeal to state their case. After the statement has been given, the MEIFHA Executive will discuss the case in private.

POLICY # 13.0 – CODE OF CONDUCT PROGRAM (CONT'D)

The MEIFHA Executive shall render its decision by motion, and a simple majority of those members in attendance shall suffice.

The decision of the MEIFHA Executive of an appeal shall be final and binding on all parties, except for those avenues of recourse provided by Hockey Nova Scotia and Hockey Canada.

Sanctions that may be applied to any Coach, Player, Team Official, Team follower, Parent/Guardian, or member, include:

1. A verbal reprimand,
2. A written reprimand,
3. A suspension,
4. An expulsion, or
5. A combination of the above.

Regardless of any of the above, all issues of abuse and harassment as defined by Hockey Nova Scotia and Hockey Canada will be dealt with as prescribed by the Child Protection Laws of Nova Scotia and Canada.

Player suspension includes no activity in bench area, prior to or after the specified games, or during the specified period.

Suspensions when applied to Parents/Guardians, Coaches, or Team followers shall normally restrict the access of those persons to dressing rooms, bench areas, and possibly spectator areas of arenas.

MEIFHA may add disciplinary measures to any HNS suspension.

POLICY # 14.0 – SOCIAL MEDIA POLICY

INTRODUCTION

Social media, professional networking sites, blog sites, and personal web sites are all useful technologies. Every team member has an opportunity to express and communicate online in many ways, and Metro East Inferno Female Hockey Association encourages an online presence.

Above all else, everyone needs to use good judgement on what material makes its way online.

This social media policy sets forth guidelines and rules that Metro East Inferno Hockey teams should follow for all online communications in reference to MEIFHA.

Your online presence reflects on MEIFHA and your Team, but also influences how people perceive you. Be aware that your actions captured via images, posts, or comments can never totally be erased and could impact future opportunities.

TEAM RULES

Each Team may establish team-specific rules, but in general, the following rules apply to Players and Team Officials while they are at MEIFHA sponsored events (games, practices, tourney, and Team events).

1. Under no circumstances is picture taking within the dressing room permitted at any time. Failure to comply with this policy could result in the offenders' expulsion from MEIFHA.
2. Do not include, post photos or mention personal information of/about teammates or staff members without their permission; respect your teammates' right to privacy.
3. Do not make team-related announcements prior to them being made official or getting permission to do so from MEIFHA, i.e. injuries, lines, lineups, being named to team, being named a captain, etc.
4. Players and hockey personnel cannot use social media to make or promote any comments that could have a negative impact on the team; ask first whether the comments could cause a distraction for the team.
5. No photographs or videos posted from team activities are allowed without consent from those appearing in the photo or video.
6. No public criticizing of officials, opposition, parents / guardians or event organizers.

POLICY # 14.0 – SOCIAL MEDIA POLICY (CONT'D)

GUIDELINES/BEST PRACTICES

You are responsible for anything that you post, write or link to on any social media platform; you cannot totally erase something you have posted, so think before you post or make something public.

- Be professional, courteous and respectful.
- Do not use profanity or words/terms that could be interpreted as prejudice.
- Always assume your post will be read and/or seen by friends, family, teammates, coaches, opponents, media and potential employers or sponsors; this also goes for photos posted on any social media platforms –always assume that the photo posted in a private photo album will eventually find its way into the public domain.
- Consider your long-term professional and personal goals when you post jokes, pranks or behind the scenes anecdotes; Future employers, teams and schools check social media platforms in assessing whether they want individuals representing their organization.
- Be vigilant about identity theft as a public figure.
- Use passwords that are difficult to guess/hack; use a combination of letters and numbers to give your account an additional level of security.
- Be cautious of following, promoting or re-Tweeting and sharing posts by individuals who use offensive language, are disrespectful or consistently look to engage followers in arguments or fights - you will be associated with those individuals if you are following, 'Like'-ing, re-Tweeting or sharing their information.
- Do not ask to be followed or 'liked' just because you are looking for good numbers, but instead give fans a reason to subscribe to your service.
- Always take a moment to reconsider before posting any information or photo; if I was a follower, would I want to read this? Is this appropriate? Could this be interpreted wrongly and become a distraction?
- Proofread for typing errors.
- Do not blame Twitter when things go wrong. Take ownership of the content you provide. Twitter is the vehicle, but you are responsible for how you use it.
- Regularly check your follower list. If a bio looks interesting, follow them.
- Use "unfollow" or "block" on Twitter/Facebook for followers that are going over the line, but do not announce it to everyone.
- Stay away from public debates or exchanges with individuals on social media platforms.
- Keep your Tweets short - they are more likely to be read if they're 50 characters or less.
- Security and police always recommend that you Tweet where you have been and not where you are going.

POLICY # 15.0 – GRIEVANCE or COMPLAINTS PROCESS

From time to time, there may be issues between members of the MEIFHA. The MEIFHA uses a twenty-four (24) hour cool-down period. This means that if any one member of the MEIFHA has a grievance (e.g., an issue with a coaching decision) with another member of the MEIFHA that cannot be immediately and calmly resolved, the member with the grievance shall not pursue the matter any further for a period of at least 24 hours.

- a) In any event, all grievances at a team level shall be addressed to the respective Division Coordinator.

- g) All decisions shall be subject to appeal to Hockey Nova Scotia under HNS guidelines, regulations and bylaws.

POLICY # 16.0 – DRESSING ROOM SUPERVISION

MEIFHA adheres to the Hockey Nova Scotia Dressing Room Supervision Policy with respect to Female Hockey dressing rooms.

Hockey Canada (HC) and Hockey Nova Scotia (HNS) work diligently to protect all participants from all forms of Bullying, Harassment and Abuse whether Emotional, Physical or Sexual. HC and HNS consider any form of Bullying, Harassment and Abuse to be totally unacceptable and will do everything possible to prevent this behavior from taking place within all Minor and Female Hockey dressing rooms. To this end HC/HNS will promote awareness of all forms of Bullying, Harassment and Abuse by providing Educational materials and Programs for Participants, Parents, Coaches, Volunteers and Staff members.

It is the Policy of HC/HNS that there shall be no Bullying, Harassment, or Abuse permitted whether Physical, Emotional or Sexual of any Participants in any of the HC/HNS Programs. HC/HNS expects every parent, coach, volunteer and staff member to Safeguard the Welfare of all Participants and to Protect them from any form of Violence.

To that end HNS requires all Coaches/Bench staff and member Minor Hockey Associations to provide supervision for all Minor/Female Hockey dressing rooms before, during and after all games and practices. HNS requires that Minor/Female players should be supervised at all times, HNS requires MHAs/ Coaches to follow the “**Two Deep Method**” of supervision recommended by Hockey Canada. A lone personnel member should never be in the dressing room with players at any time, especially when players are showering or changing: two adults should be present together, this is called the “Two Deep Method” of supervision. Supervising personnel must be members of the team staff or adults who have completed either “Speak Out” or the “Respect In Sport” for volunteers and have submitted their record checks [CAR & CRC] to their MHA. Parents of all players should be made aware of the “**Two Deep Method**” and avoid letting their children into unsupervised dressing rooms.

All Minor Hockey Associations within HNS are required to develop a Dressing Room Supervision Policy that supplements this HNS policy and this it is to be to be communicated to all members within that Association.

Failure to comply with this HNS Policy will result in Disciplinary action being taken by the appropriate HNS Council through the HNS Discipline Coordinator. A **first Offence** will result in a letter of reprimand being issued to the Head Coach and copied to the team’s Minor Hockey Association. A **Second Offence** will result in an Indefinite Suspension being issued to the Head Coach and an investigation being conducted by the appropriate HNS Council. The intent of this Policy is to ensure the Safety of all participants in the Minor and Female Hockey Programs within HNS.

POLICY # 17.0 – FAIR PLAY CODES

PLAYERS

I will play hockey because I want to, not because others or coaches want me to. I will play by the rules of hockey and in the spirit of the game. I will control my actions, knowing that negative actions can spoil the activity for everybody. I will respect my opponents and do my best to be a true team player. I will remember that winning is not everything and that having fun, improving hockey and life skills, making friends and doing my best are also important. I will acknowledge good plays by those on my team and those of my opponents. I will remember that coaches and officials are there to help me; I will accept their decisions and show them respect.

PARENTS

I will not force my hockey player to participate in the game of hockey. I will remember that my hockey player plays for their enjoyment, not for mine. I will encourage my hockey player to play by the rules and to resolve conflict without resorting to violence or hostility. I will teach my hockey player that doing one's best is as important as winning. I will make my hockey player feel like a winner every time by offering praise for competing and trying hard and will never allow them to feel defeated by the outcome of the game. I will never ridicule or yell at my hockey player or other players for making a mistake or for losing a game. I will applaud good plays by my hockey players team as well as their opponents. I will never question the official's judgement or honesty and will support all efforts to remove verbal and physical abuse from the game.

I will respect and show appreciation to the coaches who give their volunteer time to coach the team.

COACHES

I will be reasonable when scheduling games and practices remembering that players have other interests and obligations. I will teach my players to play fairly and to respect the rules, officials and opponents. I will ensure that all players get equal instruction, support and playing time. I will not yell at the players I coach, ridicule them for making mistakes or for playing poorly. I will build confidence in the players and remember that players play to have fun. I will remember Players; Parents, Officials and Spectators need a coach they can respect. I will continue to upgrade my coaching skills and work in cooperation with officials for the betterment of the game.

SPECTATORS

I will remember that participants are not playing to entertain me but are playing for their enjoyment. I will abide by all facility rules and regulations and respect the official's decisions. I will never ridicule a player for making a mistake and will give positive comments that will motivate and encourage continued effort. I will not support violence of any type and will express my disapproval in an appropriate manner to the coaches and officials. I will show respect for my team's opponents and applaud excellence on both teams.

POLICY # 17.0 – FAIR PLAY CODES (CONT'D)

OFFICIALS

I will ensure that each player has an opportunity to perform to the best of their abilities, within the rules of the game. I will avoid any situation that threatens the safety of the players and maintain a healthy environment for competition. I will not permit the intimidation of any player by words or actions. I will not tolerate unacceptable behaviour towards officials, other players, spectators or myself. I will be objective and consistent in calling infractions, regardless of my personal feelings toward a team or individual Player.

MEIFHA EXECUTIVE MEMBERS

Executive members shall expect no special rights or privileges and understand that they have an obligation to abide by the By-Laws, policies and procedures of the MEIFHA. Evaluation by Parents & Players

The MEIFHA recognizes that excellence in player development is largely determined by qualified committed coaches. Coaches may move additional players (i.e., in excess of 5), but must receive approval from the MEIFHA Executive to do so. o) Goaltenders will be evaluated during regular try-out sessions. Depending upon the need, as determined by the Evaluation Team, goaltenders may also be evaluated during a separate position specific session.

p) In cases of multiple teams at the same division and category of play, all Coaches will attend a Team Balancing Meeting with the Division Coordinator and Vice-President Hockey Operations. FINAL DECISIONS

- a) Final Team decisions will be made by each coaching staff in conjunction with input from the Evaluation Team.

POLICY # 20.0 – TEAM FINANCES & FUNDRAISING **POSITIONING STATEMENT**

MEIFHA is a volunteer organization that administers the cost sharing of female hockey programs to its members. In the interest of sustainability, we must find reasonable ways to minimize cost without sacrificing our members' hockey experience. MEIFHA supports allowing members and teams using fundraising activity to offset the costs associated with the participation in our female hockey programs. The MEIFHA Executive has developed a policy and set of guidelines to ensure that fundraised monies are utilized in hockey program areas that:

- foster athletic development & physical literacy;
- personal development;
- enhance the female hockey experience

Further, MEIFHA fundraising policies are not designed to restrict teams and members that choose to provide more for their programs but are designed to allow for reasonable fundraising activity to suit a specific hockey program. Additionally, MEIFHA fundraising policies help ensure that certain fundraising activities may continue in the future (sustainability) as well as protect MEIFHA, its members and volunteers from legal issues. All Coaches and Managers must ensure that during fundraising activities, child safety is paramount. All members of the Association, players and participants, have a responsibility to protect the positive image of the Association and conduct themselves above reproach, when representing themselves as members of the MEIFHA.

FUNDRAISING POLICY

a) Teams have the option to draw upon Parent Contributions in lieu of Fundraising Activities to support their hockey season program. If this option is exercised, the majority of the parents must be in favor, by way of vote. In order for the vote to be valid, a minimum of 75% of the team families must participate. The results of this vote must be communicated to the Team and written documentation must be provided to the MEIFHA Financial Assistance Coordinator. Team Player banks should be made payable in a minimum of three installments with the final instalment due by Feb 15th of the season. Incoming sponsorship money can be accounted for/deducted when determining instalment amount owed per family.

b) Startup/seed funding can be requested within 30 days of the Team formation. Recommended amount is \$200 with a maximum ask of \$350.

c) All fundraising MUST be approved by the MEIFHA Financial Assistance Coordinator before teams will be allowed to proceed. Failure to follow this rule will see penalties or sanctions being assessed to the Team, including but not limited to denial of any future fundraising activities. Approval is obtained through the approval of the budget worksheet. If a Team wants to start activities in advance of the budget worksheet being submitted, please contact the Financial Assistance Coordinator.

POLICY # 20.0 – TEAM FINANCES & FUNDRAISING (CONT'D)

d) Funds for Team use are available either through Parental Contributions, Sponsorships or Fundraising Activities.

e) All Team Fundraiser Events must be registered with the MEIFHA Financial Assistance Coordinator. Failure to report a Fundraising Activity could result in disciplinary action from the MEIFHA Executive Committee.

f) At the discretion of the Team, proceeds from Fundraising Activities will be divided equally amongst the Player or Parent Members that registered to participate in that Fundraising Activity, and count toward that individual Player Contribution. If individual level sponsorship is obtained and is contributed to a Player's contribution, funds can only be applied to a current hockey season's contribution.

g) All Team Fundraising activities must be included in the Team Budget with monies accounted for by the Team Treasurer. All income from Fundraising Activities (including but not limited to the following) will be deemed Fundraised Money;

- Monies received for auction items purchased and admittance fees whether they are made by parents or the general public;
- All income, including cash donations, from bottle drives
- Monies received for “Jersey Sponsors”, whether or not the person or company is a parent of the team

Where players are involved in a Fundraising Activity, Players must be supervised by their Parent or by a Coach, Assistant Coach or Team Manager listed on the Team's approved official roster.

i) For Fundraising Activities where there is a Lottery, Raffle or Games of chance, if the following three elements are applicable:

Once the Team budget is balanced/approved, any credit for the season under \$50 can be sent back directly to the Player's family. Any individual refund over \$50 will returned by the Team Treasurer to the MEIFHA Vice-President of Finance. These funds will be credited to Player registration for the following season. Money can be transferred to another hockey Association for the following season but if a Player does not return to another hockey Association, the money will be retained by MEIFHA.

k) **Jersey Sponsors** - Teams may obtain one sponsor at a rate of no more than \$200 per jersey. Each Team will be responsible for obtaining sponsor name bars for their sponsors and having them attached per our Equipment and Jerseys Policy.
