

What to do if you can't use your ice

From time to time, your team will be assigned an ice time that you can't use. This includes:

- Practice times
- Home game times

Teams are responsible for the cost of all assigned ice unless you sell it

Emailing the Ice Scheduler DOES NOT absolve you of the responsibility for the ice

If you sell ice to another MEIFHA team, email ice@metroeastinferno.ca with the details listed below for invoice updates and so rinks can be informed of who is using the ice. Cost will be taken care of at the end of the year when invoices go out.

- Team name
- Name of team taking ice (if applicable)
- Date of ice
- Time of ice
- Rink building
- Ice pad (if applicable)

If teams sell their ice to an outside organization (MHA; HCL ringette etc.) the transaction is completed at the team level with the buyer of the ice. This means that the buyer pays the team for the ice time. The ice will still be on your end of year invoice from MEIFHA. Once you have sold your ice let the ice scheduler know the details and they will inform the rinks of the changes.

- HRM Ice Swap (Facebook) is a great spot to both buy and sell available ice

The ice scheduler can help sell teams ice, please email ice@metroeastinferno.ca using "MEIFHA Ice for Sale" as the subject line in your email. The ice scheduler will try to help you sell the ice by sending it out to the ice distribution list.

Emailing the Ice Scheduler DOES NOT absolve you of the responsibility for the ice

There is no giving back of ice, it is not uncommon for a team to end up paying for ice time they do not use. Keep this in mind when preparing a budget.
